GARODIA
EDUCATION

BUILDING A STRONG FOUNDATION FOR EARLY LEARNERS

Welcome to a world built by blocks; where every child's potential is
recognised, nurtured and celebrated!

We are more than just a preschool

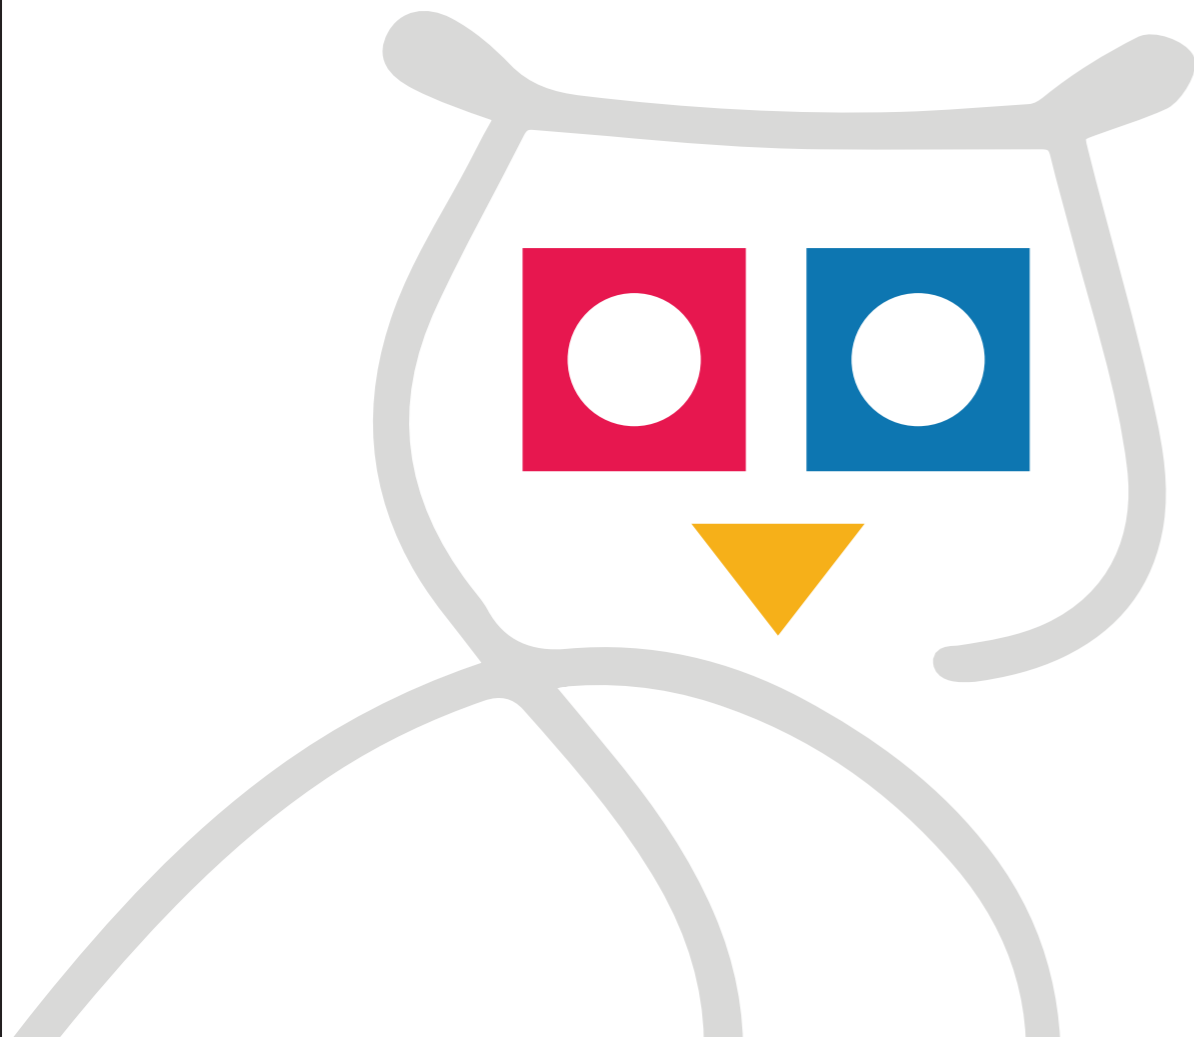

Garodia's Academy, founded in 1969, is a nurturing environment where childhood comes alive through child-centred learning. From humble beginnings with just seven students, the Academy has grown to over 2000 students from Playgroup to Standard X. With a focus on the formative years of ages 2 to 5, Garodia's Academy emphasizes on learning through play, fostering creativity, socialization, and foundational development, setting the stage for a lifelong love for learning.

Our Vision:

Innovate, Educate and Elevate

Our Mission:

We are committed to nurturing young minds and providing a stimulating, secure environment for learning. We aim to create opportunities for each child to grow & achieve their potential, encourage them to appreciate their unique characteristics & abilities, and lay a foundation for lifelong learning.

Role of Parents: Engaging and Involving

At Garodia's Academy, we value parents' vital role in their child's development and success. A parent-teacher collaboration creates a supportive and effective learning environment where every child feels understood, valued and encouraged. The active involvement of parents—whether as resource persons, participants in activities, or contributors to events—ensures parents are a part of shaping their child's growth in every step! Regular meetings with the teachers keep parents acquainted with their child's progress.

Building academic foundation for every child

Age-appropriate curricular and co-curricular activities address holistic developmental needs and allow children to engage, explore, and discover their interests and talents.

-  **Cognitive development**
Arouse curiosity and promote higher-order thinking skills
-  **Language development**
Facilitates meaningful connections with listening, speaking, reading, writing and viewing
-  **Physical development**
Strengthen fine & gross motor skills for better coordination and control
-  **Socio-emotional development**
Encourage interaction and expression
-  **Aesthetic development**
Cultivates interaction and understanding of their surroundings

Preschooling the PlayWay method

The PlayWay method encourages holistic development—cognitive, language, physical, social, emotional, aesthetic, and ethical—through exploratory activities, diverse themes, phonics, games, and hands-on experiences. We use flashcards, storybooks, puzzles, manipulatives, real objects, field visits and technology to bring learning to life beyond traditional methods!

Our curriculum is as dynamic as our early years learners

-  **Concepts & Experiments**
Hands-on learning through sensory-rich, engaging activities
-  **Pre-Math & Coding**
Simple mathematical concepts and digital literacy
-  **Foundational Literacy**
Building core reading skills through phonics
-  **Foundational Numeracy**
Strengthening numerical concepts and reasoning
-  **Arts, Music & Dance**
Fostering creativity and expression
-  **Games & Gymnastics**
Promoting health and mindfulness
-  **Dramatisation & Puppet Shows**
Enhancing artistic expression
-  **Quality Circle Time**
Encouraging open communication and sharing
-  **Non-fire Cooking & Field Trips**
Practical life skills and real-world experiences
-  **Important Days & Celebrations**
Instilling values through cultural festivals and events
-  **Hindi (Basic)**
Introducing Hindi as a second language in Sr. Kg

Being a facilitator, not just a provider

Our team of caring, experienced and dedicated faculty support each child's unique talents, ensuring they are involved and appreciated. Our teachers are committed to making learning exciting and something each child can look forward to. Continuous professional development keeps teachers updated with educational developments and teaching formats. With a 1:15 teacher-student ratio, they foster deep connections and healthy peer interactions, creating a warm and nurturing environment.

Where early years learners wonder, play and learn

Building opportunities for endless discoveries

Garodia's Academy offers a nurturing, expansive environment where children freely explore, learn, and grow through well-equipped, diverse spaces that blend classroom learning with hands-on experiences.

Classrooms

Our classrooms feature colourful seating, creative displays, learning corners and AV technology.

Learning Lab

A place where reading habits are inculcated through means of stories, conversations and language games.

S.P.A. Room

Science, PreMath & Numbers and Arts Room is where children explore and reinforce core concepts in Science, PreMath & Numbers, and Creative and Performing Arts through hands-on activities, experiments, play kits, manipulatives and art materials.

Soft Gym

Dynamic indoor space for free play, organised activities, dance and performances.

Toy Room

A room that abounds with toys, props for role-play and a variety of fun tools to explore, share and bond.

Jungle Gym & School Ground

Safe outdoor areas for independent exploration and balanced play experiences

Student Support

Guidance & Counselling

For emotional well-being and academic success

CCTV

In classrooms and premises ensures the safety of all students and staff

On-campus medical care

To prioritise student health

Nutritional meals

Support healthy growth and active learning

Transportation

With first aid kits, GPS tracking, CCTV, and certified drivers

These services and facilities support the overall well-being, safety and development of preschool children.
